MEMORANDUM FOR THE RECORD

SUBJECT: Conversions to CIA Retirement System

25X1 I met with Mr. Wattles and Miss [] on the subject memorandum
dated 29 May 1968. I noted that the identification of employees who might
be eligible for the CIA Retirement System on the basis of support to overseas
operations was not available in existing records and would have to be established
by direct query of the Heads of the DD/S offices. Further, the identification
of such employees would have to be predicated on a relaxation in the present
25X1 criteria for eligibility. I asked Miss [] to prepare for me a memorandum
to the DD/S Office Heads stating the purpose and criteria and asking them to
make on a confidential basis a survey to determine the numbers of individuals
who might be eligible.
